

City Council at a Glance

Quarterly snapshot of the Bills Introduced and Bills Passed by the NYC Council

Capalino+Company

we know **who**. we know **how**.*

Capalino+Company continues to refine the Legislative Dashboard's categories to best reflect the work of the New York City Council. Legislation often touches upon multiple categories, therefore we try to assess the intent of the bill to appropriately organize the dashboard, but recognize that it is a subjective analysis based upon the firm's legislative expertise.
